

4-DAY LUMBER GRADING SHORT COURSE

March 19–22, 2012 | Broadway, VA
Broadway Volunteer Fire Department

The value of “rules conscious” employees is a more carefully manufactured product, a more profitable yield from the log, and a better sense of the value of the lumber being handled. This four-day workshop will include a thorough study and explanation of the NHLA Rules Book, emphasizing the basics of hardwood lumber inspection.

This popular workshop gives yardmen, sawyers, edgemen, sales and office staff, and management level personnel an introduction to lumber inspection. Classes will begin at 6 p.m. and end at 9 p.m.

INSTRUCTOR

This four-day short course will be taught by Benji Richards, NHLA National Inspector.

FEES & REGISTRATION

The seminar fee includes registration, course materials, NHLA Rules Book and a Certificate of Completion. Please bring a notebook and a grading stick, if you have one.

\$300 US per person
